Norths Basketball Club

Supporting Gungahlin and North Canberra areas

Become a Committee Member. Make a Difference!!

Your Committee cannot survive without members, and without a good, strong fully functional committee the Club cannot continue to operate effectively.

Why are there places available on the Committee?

Committee Members hold their positions until the conclusion of the Annual General Meeting two years following the date of their election. Several persons have held positions on the Committee for many years. We need people from the Club to stand up and give our long-term Committee members a break from those responsibilities.

Why join the Committee?

- To have a say in the what, when and how the Norths Basketball Club is run.
- To bring fresh ideas and enthusiasm to keep the Club going forward.
- To have a positive influence on the lives of hundreds of children.
- To support the volunteer coaches and managers who help keep our players on the court.
- To learn some fantastic skills and be part of a fun, dynamic team.

Yeah, I know it is important but… I don't have the skills to be on a committee…

A committee is made up of different people who bring different skills to the party. The one thing in common is that we all want to make Norths the best it can be for players, volunteers, parents, referees and officials both now and in the future. We are not running a bid for the Olympics…just a local community basketball club.

I don't have the time…

Committee members meet every 6 weeks or so. In between meetings there will be some tasks to complete – but the more members we have the more we can spread them out. We are setting up non-committee groups to help out with specific items…so that we do not end up with one or two people carrying the majority of the work.

Who can I ask questions about the Committee?

A description of the roles and responsibilities of Committee Members can be downloaded from the North's Website (www.northsbasketball.com.au). If you have any questions about the Club or the Committee please contact the President@northsbasketball.com.au

You and / or your children have enjoyed the physical, developmental and social benefits of playing Club basketball throughout the year - why not gave back to those who have supported your basketball experience?
